

# I Love My Florida

To the tune of "I Love the Mountains"

1. I love the live oaks, I love the manatees,  
I love the beaches, I love the strawberries.  
I love the everglades, 'cept for the boas there!

**REFRAIN:** Boom-di-ah-dah, boom-di-ah-dah,  
Boom-di-ah-dah, boom-di-aye :||

2. I love the theme parks, I love the pelicans,  
I love the dolphins, I love the airboatin'.  
I love the temperatures, 'cept in the summertime!

3. I love the rockets, I love the sailboats,  
I love the wood storks, I love the gold sea oats.  
I love the sunny days, if there's a nice, strong breeze.

4. I love my teaching, I love FMEA,  
I love my colleagues, love being here today.  
I love the music that fills all my days with joy . . .

**Last Refrain:** Love my music, love my friends,  
the joy of music never ends. Love my music, love my  
friends, the joy of making music never ends . . .
